California Industry
1972 Index to Feature Articles—Volume 37

Author Index

	Issue	Page
Burton, Jerry—Plating shop's OSHA experience	Sept.	25
Coffman, D. H.—Collateral control helps cash flow problems	May	40
Dicke, James F.—Productivity in material handling	Nov.	32
Emberman, A. A.—When labor unrest strikes a plant, executives are often to blame	Feb.	20
Evendon, Bob—Effective plant safety programs depend on philosophy, not technology	Apr.	24
Forslund, Edward E.—Flexible couplings don't just couple	Mar.	29
Geisenheyner, R. M.—Take a look at bulk shipments	Aug.	18
Gordon, H. Roy—Pipe know-how speeds pollution control installation	Sept.	22
Pace, Vern—Put your noise problems in a box	July	18
Paul, Ken—So, you want to buy an electric lift truck?	Aug.	15
Reinecke, Ed, Lieutenant Governor of California—The Space Shuttle Project	June	20
Timpton, Robert R.—Patent Rights: Inventor retains rights to invention	Mar.	22
Wells, Nat—How to mothball a lift truck Part 1	Oct.	20
Part 2	Nov.	21

Subject Index

	Issue	Page
Bulk shipments—Distribution patterns for bulk dry and liquid products	Aug.	18
Corroded oil storage tanks get refurbished floors	Oct.	24
Cutting costs with pre-coated steel	Nov.	26
Distributors add know-how to products used in your plant	Jan.	28
Equipment—Lift truck modified for abrasive atmosphere operation	Aug.	32
Fighting a tank farm fire	Oct.	28
Four-day work week—Special reports on five California plants	Jan.	20
Industrial Business—Collateral control systems solve cash flow problems	May	40
Industrial Business—Faster billing pays for computer	Feb.	12
Industrial Business—Improving productivity in grinder work stations	Aug.	39
Industrial Business—Personal development is key for successful plant supervisors	Apr.	20
Industrial Business—Southland's Tower Industries moves into consumer products, a case history	Jan.	15
Labor relations—When unrest strikes a plant, executives may be to blame	Feb.	20
Levi Strauss & Co. refurbishes plant	July	20
Maintenance—How to mothball a lift truck— Part 1	Oct.	20
Part 2	Nov.	21
Maintenance: Plant cleaning jobs—How to do them right	Oct.	34
Management—Special report on the four-day work week	Jan.	20
Material Handling—Getting maximum productivity	Nov.	32
Material Handling—Overhead cranes feed giant shop press	Aug.	22
Material Handling—Lift trucks keep products moving at Shaklee Corp.	Aug.	12
Material Handling—Lift trucks: So, you want to buy an electric?	Aug.	15
Material Handling—Special handling for 200-ft. foam buns	Feb.	23
Metal buildings, how far they have come— A recap from major suppliers	Mar.	19
New furnace is production workhorse	Nov.	15
Noise control—Put your noise problems in a box	July	18
OSHA—Plating shop's experience	Sept.	25
Patent rights—Inventor retains rights to invention	Mar.	22
Pipe know-how speeds pollution control installation	Sept.	22
Plant Engineering—Epoxy injection saves cracked concrete columns	Oct.	48
Plant Engineering—Flexible couplings don't just couple	Mar.	29
Plant Engineering—Relocating racks holding 1,000 tons of steel without unloading	Jan.	34
Plant Safety—Programs depend on philosophy, not technology	Apr.	24
Plant Supervising—Personnel development is the key to success	Apr.	20
Pollution control—Meeting tough emission laws at Ameron's Etiwanda Steel Mill	Jan.	16
Polyethylene manufacturer ups production with larger furnace	May	22
Pressure, vessels, piping withstand earthquake	Oct.	32
Recruiting for management in the West	Dec.	18
Safety Management—Twenty most-asked questions about industrial safety programs	July	20
San Francisco's LASH terminal	Nov.	16
Seventy-year old production equipment still puts out	Nov.	22

ARTICLE INDEX

(Continued from p. 33)

Small computer speeds foundry's orders ....Dec. 14
Space Shuttle—California's key to becoming world space capital .....June 20
Space technology produces Techite construction pipe .....June 14
Spray Booths—Tips on purchasing .....Sept. 18

Company Index

Allis-Chalmers, Industrial Truck Div.—How to mothball a lift truck .....Oct. 20
Allis-Chalmers, Industrial Truck Div.—Lift truck modified for abrasive atmosphere operation .....Aug. 32
Allis-Chalmers Corp., Material Handling Div.—So, you want to buy an electric lift truck .....Aug. 15
Ameron, Inc.—Meeting tough emission regulations at Etiwanda Steel Mill .....Jan. 16
ATSCO, Inc., City of Commerce—Larger furnace ups polyethlene parts production .....May 22
Bearing Specialty Co.—Distributors add know-how value to products used in plants .....Jan. 28
Berkeley Pump Co.—Faster billing pays for computer .....Feb. 12
Butler Mfg. Co., Transportation Equipment Div.—Take a look at bulk shipments .....Aug. 18
Califoam Corp., Pittsburgh—Special handling for 200-ft. foam buns .....Feb. 23
Clayton Mfg. Co., El Monte—Plant cleaning jobs, how to do them right ....Oct. 34
Falk Corp., The—Flexible couplings don't just couple .....Mar. 29
Foster, L. B. Co., San Francisco—Pipe know-how speeds pollution control installation .....Sept. 22
Levi Strauss & Co., San Francisco—Decision to stay in core area pays off ..July 14
Lodi Iron Works, Lodi—Small computer speeds foundry's orders .....Dec. 14
March MetalFab, Inc., Hayward—Overhead cranes feed giant shop press .....Aug. 22
Shaklee Corp., Hayward—Lift trucks keep products moving .....Aug. 12
Tower Industries, Inc., Compton—The move into consumer products .....Feb. 15
United Technology Center, Sunnyvale—How space technology gave birth to Techite Pipe .....June 14

California Calendar

January 25-28, 1973—NATIONAL EXPOSITION FOR FOOD PROCESSORS, Brooks Hall, San Franciso. For information contact Food Processing Machinery & Supplies Association, 7758 Wisconsin Ave., Washington, D.C. 20014.

February 28-March 1, 1973—MATERIAL MANAGEMENT AND MATERIAL HANDLING SEMINAR, Cow Palace, San Francisco. Sponsored jointly by the International Material Management Society and the Material Handling Institute.

February 27-March 1—1973 MATERIAL HANDLING INSTITUTE SHOW, Cow Palace, San Francisco. For information contact the Material Handling Institute, 1326 Freeport Road, Pittsburgh, PA 15238.

March 12-16, 1973—WESTEC (Western Metal and Tool Exposition and Conference), Los Angeles Convention Exhibition Center, Los Angeles. Sponsored jointly by the American Society for Metals and the Society of Manufacturing Engineers. For information contact ASM, Metals Park, Ohio 44073.

May 22-23, 1973—WESTERN SAFETY CONGRESS & EXHIBITS, Anaheim Convention Center. For information contact Western Safety Congress & Exhibits, 3388 W. 8th Street, Los Angeles, Ca. 90005.
